DELIVERY WAIVER

Park Supply will deliver purchased material to one location and place the material in a secure area on the customer's property. Typically the material is placed inside a garage or on a covered porch. Park Supply delivery personnel are not permitted to place material inside the property/home of a customer unless the delivery waiver has been read and signed by the customer.

By signing below, I am giving Park Supply Company permission to enter and deliver material inside my property/home. **I acknowledge that any damage incurred while delivering material inside my property/home is my responsibility and is not the responsibility of Park Supply Company.**
